

# SWCC Bursary scheme Application

(for full members only)

*You need to add to this form enough information about your project to help the Committee to make a decision about funding support.*

1/ Your name, address, phone number and email. *(Add more names when applying jointly. The funding will go you as the main applicant)*

2/ An outline of your project. *(This should include what is intended, whether it is a new project or an ongoing one, where it is going to happen and how it will be a benefit to aspects of caving , as explained on the attached bursary scheme introduction sheet)*

3/ How much is the total overall cost of the project that you are asking the club to contribute to? *( It is recognised this may be an estimated figure)*

4/ When do you hope to use any bursary allocation and when would you plan to be able to report back to the members on its progress / achievements?

5/ Please add any further information that you would like the committee to know about in support of the application.
